What are we looking for?

In this open call for art, as|peers is looking for: **illustrations, paintings, photography, poetry & creative writing** and everything in between that is in some way connected or inspired by the upcoming issue's topic: **Transcending Time**.

What is as|peers?

as|peers is a print and digital journal produced and edited by MA-level students at American Studies Leipzig. In addition to showing the scholarly work produced by students from all over Europe, the journal frequently features art by young artists.

Please submit your work to aspeers2324@gmail.com, by **January 15, 2024**.

For more information please see the [American Studies Leipzig](#) & [as|peers](#) website.

We are looking forward to receiving your submissions!

Please note that, due to funding constraints, we are not able to offer any financial compensation for the finally accepted submission.

While we are aware that artists deserve compensation for their time and work, we ask for your understanding that we are a journal dedicated to spotlighting the work of graduate students, and would like to include the artistic work of our peers.
